

The H.U.B.B. Arts & Trauma Center Corporate Sponsorship Opportunities

Founded in 2006, The H.U.B.B. Arts & Trauma Center utilizes three interrelated strategies to engage and serve youth and families: Entertain, Educate, and Empower, to combat the traumatic impact of violence that continue to plague our communities.

The H.U.B.B. Arts & Trauma Center (ATC), a 9,000 square foot, Mayor-appointed “Center of Hope” in Newark’s Central Ward, has become a thriving community epicenter that delivers highly impactful programs that respond to the issues of victimization, juvenile delinquency, low scholastic achievement, unemployment and other challenges facing vulnerable families in Newark. We provide a variety of intergenerational programs, using cutting edge technology and expression through the arts, to help participants heal from complex traumatic experiences. Our unique approach provides wrap-around services and interactive programming that address the wholeness of a person, using a plethora of proven vehicles including art therapy as a paradigm shift to address social and psychological disorders.

In order to support the work we do with the students and youth of Newark, The H.U.B.B. has developed opportunities for community businesses and corporations to sponsor our programs and help us build a better Newark for our youth and their families. In recognition of your enthusiastic support, you will receive invitations to exclusive events and opportunities, access to our supporters, partners, families, and recognition in our materials. The leadership and staff of The H.U.B.B. are deeply grateful for your support!
